Garnet Health Medical Center - Catskills Needs Your Help!

We are looking for people like you to volunteer for our new Patient and Family Advisory Council and help us enhance the overall patient experience at Garnet Health Medical Center - Catskills.

Ideal advisors:

- See beyond his or her own personal experience
- Share insight and experience in productive ways
- Have an open mind and respect opposing opinions
- Are excellent listeners
- Can collaborate effectively to reach solutions
- Have a passion for enhancing the healthcare experience

For more information on becoming a Patient and Family Advisor, contact Jodi Goodman at jgoodman@garnethealth.org or call (845) 333-8785.
